NOTICE TO PROPRIETORS OF CERTAIN LANDS IN THE STATE OF MAINE.

THE Legislature of the Commonwealth of Massachusetts by a Resolve passed 1st April 1836, directed the Land Agent of said Commonwealth, to give notice to sundry proprietors of lands in the State of Maine, who were required by a condition contained in the original deeds of conveyance from the Commonwealth to place a certain number of families on their respective tracts and requiring them to furnish evidence of the fulfilment of said condition, or pay the sum of $30 for each family deficient on the first day of June 1838, or the lands would be declared forfeited.

Pursuant to said Resolve notice was soon after given to all the proprietors of lands subject to said condition, most of whom have complied therewith and removed the incumbrance. The proprietors however of the following townships or tracts have not responded to the notice neither have they (so far as is known in this office) settled for or complied with said condition, viz. In the County of ... a gore of land lying between the towns of Rumford and Otisfield formerly conveyed to Samuel Phillips.

County of Franklin—Township Letter D conveyed to John ... Gardner and number two and number three in the third range.

County of Oxford—Letter A No 1 now the town of Riley and A No 3 now the town of Newry.

County of Somerset—A half township No 2 ... range north of Bingham's Kennebec purchase granted to the Trustees of Saint ... Academy.

County of Penobscot—Township No 3 on the east side of Penobscot River granted to the Maine Literary and Theological Institution now the town of Argyle. South half of township No 3 8th range North of the Waldo patent granted to ... Lincoln and others and the south half of township No 6 ... range granted to the Trustees of Warren Academy.

County of Washington—Township No 3 1st range ... of Passamaquoddy River granted to ... Hinckley, No 1 4th range ditto granted to Williams College now called ... and a half township on the Eastern boundary line granted to the Trustees of Limerick Academy, now called New Limerick.

The undersigned is required by a late resolve of the Legislature of Massachusetts passed the 14th day of March last again to give notice to delinquent proprietors and to take such measures as he may deem to be necessary, to recover to the Commonwealth the possession of any of the above named lands, or tracts of land from such proprietors as shall have failed on the first day of December next of complying with the requisitions of the Resolve of the first day of April 1836.

Notice to Mill Owners.

THE undersigned having purchased one half of the right of making vending and using VALENTINE'S PATENT CAST IRON WATER WHEELS for the United States have at a great expense fitted up patterns for casting twenty one different sizes of these Wheels which are particularly adapted to the various heads of water for which they may be wanted.

Upwards of two hundred of these Wheels have been put in operation in this State within the past year giving perfect satisfaction to the proprietors.

A model of these Wheels was tested at Lowell Mass the past summer by a Board of Engineers composed of Ithamar A Beard and James B Francis Esqs of Lowell and E A Straw Esq of Manchester, and it was afterwards placed in the hall of the Mechanics Fair at their last exhibition in Boston and received the only diploma awarded on water wheels.

We annex an extract from the certificate of E A Straw Esq one of the board of engineers giving a statement of the experiments made with the model at Lowell which establishes the great superiority of the Valentine Wheel over any of the kind in use.

MANCHESTER July 11 1844.

Dear Sir—I send you the results of several experiments made at Lowell the other day with your Model of Valentine's Patent Reacting Wheel. I consider the trial to have been a very fair one and the results are certainly very creditable to your wheel. I think they prove conclusively that your wheel is at least 50 per cent stronger than any of the Tub or Reacting Wheels now in general use.

The coefficient of effect or per centage of power derived from well constructed Breast or Overshot Wheels acting under favorable circumstances is generally reckoned at 66 per cent and that of Undershot Tub and Reacting Wheels at 33 per cent but ... in practice I think it will be found that the power derived from Breast Wheels will not exceed 60 per cent of the power applied or the power derived from Tub Undershot or Reacting Wheels 25 per cent of the power applied indeed I know of well constructed Tub Wheels acting apparently under favorable circumstances that do not give a coefficient of effect equal to 20 per cent.

With the results of your wheel before us it needs no arguments to show how vastly superior it is to such Wheels as I have mentioned. The least result obtained from your wheel gives us about 42 per cent of the power applied which is nearly double of the power that could be derived from the common wheels before mentioned acting under the same circumstances.

I have added nothing to the coefficient of effect for the friction of the wheel and apparatus which according to our measure of it was 40 lbs or 1 10th of the heaviest weight raised. If this were added as perhaps it should be to get at the actual effect of your wheel it would give as the result of this trial a coefficient of effect of 50 per cent which I have no hesitation in saying is a result that may be obtained from any wheel similar to the model well constructed and acting under favorable circumstances.

Experiments Nos 1 2 and 3 were made without back water. Ex No 1 400 lbs lifted 9½ feet—fall 5 8 feet—effect 42 8 10 per cent. 2 400 lbs lifted ... feet—fall ... —effect 41 9 10 per cent. 3 400 lbs lifted 9 12 ft—fall ... 7 feet—effect 4... 10 per cent.

The mean of experiments Nos 1 2 and 3 would be 42 ... per cent without the friction, or an average of about 42 per cent which may be considered a ... effect of your wheel when working free from back water.

In experiments Nos 4 5 and 6 the wheel was immersed in back water but was very evidently overloaded.

In experiments Nos 7 8 and 9, wheel was immersed in back water. Ex No 7 ... lbs lifted 9 1 2 feet—fall 4 000 ft—effect 47 3 10 per cent ... lbs lifted 9 1 2 ft—fall ... ft—effect 58 3 10 per cent ... lbs lifted ... feet—fall 4 01 ... effect 48 1 10 per cent.

The mean of experiments 7 8 and 9 would be 50 ... per cent ... friction ... average of about 53 per cent which may be considered as the effect of your wheel when working ... immersed in back water.

EXCELLENT WATER POWER FOR MILLS AND MANUFACTURING PURPOSES.

THE excellent water power at the outlet of the Great East Pond in the town of Newport County of Penobscot and State of Maine is now offered for sale in such parts as purchasers may desire. This water power combines three essential advantages an unfailing supply of water the pond covering a large portion of the town and raised with little expense or damage freed from all risk as to freshets and is never frozen. There is now situated on this outlet a Tannery an Iron Foundery and Machine Shop, and a Saw Mill and a Grist Mill.

The owners wish to dispose of a privilege sufficient for driving a large amount of machinery and also of several acres of land adjoining, ... portions of the same to be used for various manufacturing purposes.

Dr. S. O. Richardson's CELEBRATED SHERRY WINE BITTERS.

THE Proprietor of this Medicine offers to the Public the result of an extensive practice and a thorough investigation of the laws which govern the human system

It cannot be denied by those who have become acquainted with the singular virtues of these Bitters that they possess a pre eminence over all the known ones, for the diseases which they profess to cure

It is a well known fact that most diseases arise from a derangement of the stomach and Bowels, in youthful, adult and declining life

"*The stomach crammed with every dish,*
A tomb of roast and boiled and flesh and fish,
Where bile and wind and phlegm and acid, jar,
And all the man is one intestine war

The extensive sympathies which subsist between these and every other part of the living body is the foundation of hereupon diseases of all kinds,—Irregular Appetite, Languor, Drowsiness Wandering Pains, Headache Lowness of Spirits, &c

And these, in their turn, give birth to Dyspepsia, Palpitation of the Heart Shortness of Breath Jaundice, Piles Fevers Inflamatory Humors, Coughs, and a host of diseases which embitter life and poison all sources of enjoyment

The distinguished character of these Bitters is most striking; their operation being more or less powerful according to the violence of the disease When used in appropriate quantity, in cases of slight derangement of the Stomach and Bowels caused by costiveness or a slight bilious difficulty and the like, where nature needs assistance to prevent more serious consequences they will be scarcely felt

On the contrary, in obstinate cases, they frequently operate more powerfully, causing two or three evacuations daily, until the circulating fluid becomes purified This accomplished, they act on the system in connextion with our food each receiving mutual assistance until the constitution is restored to a state of health and renewed vigor

BY THE QUEEN'S PATENT. TRIUMPHANT SUCCESS OF BUCHAN'S HUNGARIAN BALSAM, THE GREAT ENGLISH REMEDY FOR CONSUMPTION!

THE great and only REMEDY for Colds, Coughs, Asthma, and CONSUMPTION is the *HUNGARIAN BALSAM OF LIFE*, discovered by the celebrated Dr Buchan of London, England, and introduced into the United States under the immediate superintendence of the inventor

The extraordinary success of this Medicine, in the cure of Pulmonary diseases, warrants the American Agent in soliciting for treatment the WORST POSSIBLE CASES that can be found in the community—cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished Physicians, as CONFIRMED AND INCURABLE The Hungarian Balsam has cured and will cure, the *most desperate cases* It is no quack nostrum, but a standard English Medicine of known and established efficacy

INCONTESTIBLE PROOFS.
Of the efficacy of this Balsam in the worst forms of Consumption.

From Dr Storer of Saco, Me

Dr Bradlee—Dear Sir The Hungarian Balsam is beyond all question a most perfect and admirable preparation, for Diseases of the Lungs I have used it in my family, and in my professional practice for more than two years, with the most uniform and entire success, in cases of severe Pulmonary Disease, and I can conscientiously recommend it to all who are afflicted as the most certain remedy for such diseases with which I am acquainted

Yours Respectfully,
FREDERICK T STORER, M D
Saco, May 22 1845

Valuable evidence from David Bugbee Esq Bangor

Bangor, Sept 18, 1844

Dr Bradlee—Dear Sir At your request I send you a report of my success as General Agent for the Hungarian Balsam I have now had the Agency of that excellent medicine about two years and have sold in that period nearly twelve gross, or 1728 bottles Much of this has been used in the vicinity of Bangor but many dozens have been sent several hundred miles to Houlton and the Provinces to Machias Eastport &c The success of this Balsam in the relief and cure of Pulmonary diseases is absolutely astonishing Hundreds, I am sure, have been saved from a premature grave by its beneficence—invalids supposed to be past all hope have been restored to comparative health and the last moments of the dying have been made comfortable by its use In cases of children afflicted with severe and obstinate coughs, it has been employed with great success—several instances of which having come under my personal knowledge Indeed this is a grand medicine its reputation is established here and the sales are constantly increasing

Yours truly
DAVID BUGBEE.

Another Life Saved.

Bath, Me Feb 24, 1845

Dr Bradlee Dear Sir I take much pleasure in giving you a statement of the beneficial effects of Buchan's Hungarian Balsam upon my daughter, who has been for a number of years afflicted with a bad cough pain in the side and all those pains and troubles which attend that insidious disease, consumption I employed a physician who attended her a long time at great expense, and then advised the consultation of a celebrated physician in a neighboring town at still greater expense, and after a number of visits from the adverse physician, and the continuance for some time of the family physician he declared he could do no more for her He had done all that he could and I could see no benefit from it I then employed a Botanic Physician for some time who seemed to do her some good, but did not touch the root of the disease I was then advised by a friend to try Buchan's Hungarian Balsam I have used six bottles with a most astonishing effect It has restored her strength cured her entirely of her cough and pain in the side and she is now attending to her accustomed duties It is may seem wonderful but it is no more strange than true and I would advise all with symptoms of consumption to take this medicine in season, and not wait till all hope is past, although this case has terminated so fortunately I think I paid between one and two hundred dollars for physicians and medicine without any benefit, while a few dollars worth of the HUNGARIAN BALSAM has removed the disease renewed the strength and brought on a healthy action of the system Try it for yourselves and you will find the the half has not been told You can use this letter as you think best and as well do it at good—and wishing that your medicine may benefit many as much as my daughter,

I remain gratefully yours, JNO YOUNG

P S I would say further that about five years ago my daughter commenced raising blood which continued at times for three years and sometimes very bad, till about two years ago she commenced taking this Balsam The first bottle stopped the raising of blood entirely and she has never been troubled with it since

From J L Ladd, Apothecary Augusta

Augusta Me May 27, 1845

Dr Bradlee Dear Sir Having sold the Hungarian Balsam for the last two years past and having personally observed its beneficial effects in many cases of lung complaints and some of them very severe, I do not hesitate to recommend it as an excellent preparation for those diseases for which it is recommended

Very respectfully, &c J E LADD

GREAT CURE AT AUGUSTA ME.

Augusta May 27, 1845

Dr Bradlee Dear Sir I can truly say that the Hungarian Balsam has been of the most infinite service to me I have been cured of an affection of the lungs which was thought to be INCURABLE by all my friends, by the use of a few bottles. One of my children was also restored to health after being pronounced beyond the reach of medical aid by the physicians and it is now my constant resort in use of any difficulty in the throat and lungs I have recommended this Balsam to a great many persons and shall continue to do so as I believe it to be the best thing in the world for diseases of the lungs.

Yours truly, FRANCIS J WELKS

From Edward Mason, Druggist Portland, Me

Portland, Me April 17, 1845

Dr Bradlee—Dear Sir The Hungarian Balsam gives good satisfaction in this city and vicinity and I have no doubt from the reports I hear of its future effects upon invalids, that it is an excellent preparation for diseases of the lungs

EDWARD MASON, Apothecary 53 Middle street

HEAR THE PRESS.

From the Christian Observer, March 12 1845

The public may place the utmost reliance upon the statements respecting the Hungarian Balsam, by Dr Bradlee the American Agent, who is an old and highly respectable citizen of Boston, a member of a christian church and a man who would not for any consideration give his influence in favor of any sort of deception or imposture

From the Thomsonian

If any thing could reconcile us to a departure from Thomsonian principles, in the treatment of disease, it would be the extraordinary results of a medicine like the Hungarian Balsam, which we believe both from careful analysis and the statement of the inventor to be a purely vegetable compound The effect of this medicine in cases of Consumption, is sometimes truly astonishing

☞ Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive tendencies of the climate, but to be used as a preventive medicine in all cases of Colds Coughs, Spitting of Blood, Pain in the Side and Chest Irritation and Soreness of the Lungs, Bronchitis, Difficulty of Breathing, Hectic Fever, Night Sweats, Emanciation and General Debility, Asthma, Influenza, Hooping Cough, and Croup

☞ Sold in large bottles at $1 per bottle, with full directions for the restoration of Health

Pamphlets containing a mass of English and American certificates, and other evidence, showing the unequalled merits of this Great English Remedy, may be obtained of the Agents, gratuitously

THE GREAT NORTHERN REMEDY. N. H. DOWNS' *VEGETABLE BALSAMIC ELIXIR,*

FOR Colds, Coughs Consumption, Spitting of Blood, Whooping Cough, Asthma, Croup, Bronchitis and all diseases of the Lungs.

"This medicine is purely vegetable—the result not of mere theory and speculation, but of much study and research, during years of debility and suffering; and the inventor having succeeded in curing himself, and having tested its efficacy on thousands of individuals in New England and the western States feels great confidence in recommending it to the public as a safe and efficient remedy. It operates most conspicuously in removing all morbid irritation from the Lungs and Pulmonary Organs, keeps the cough loose, promotes expectoration, and induces a degree of quiet in the system peculiarly grateful to the patient after having experienced so many days and nights of restlessness and suffering. Hear the testimony of those who have been benefitted by it. Hon Bates Turner, late Judge of the Supreme Court of Vermont, says, "I have been acquainted with the medicine called Downs' Elixir, for seven years past, and from its effect upon myself and in cases where I have witnessed its effect upon others, I consider it one of the most fortunate inventions ever made." Robert W Woodruff, Esq of Summerville, N J, after certifying to its good effects upon himself in a case of long standing internal weakness, and coughs, concludes thus — This certificate is given with the hope that it may direct the attention of all suffering from colds coughs, inward weakness, &c to this invaluable medicine"

Dr Gustavus Hills, of Ashtabula Ohio says, "I was induced to try the Balsamic Elixir, and having used one bottle with decided advantage I followed it with another, which I hesitate not to say have had a more pleasing and permanent effect than all other cough medicines I ever used" William C Perkins of Summersworth, Great Falls N H says "I have used N H Downs' Vegetable Balsamic Elixir for phthisic and found immediate relief and do consider it the best medicine ever used by me for that complaint" B Badly, Esq of Canton, N Y concludes his certificate thus "I have no hesitation in saying to the public that the said Balsamic Elixir was the only means of my recovery and I do most cheerfully and earnestly recommend it to the public" Chaplin Nelson of Waterford Me in a letter to the general agents dated, March 10 1845, says "The agent of Downs' Elixir was here last month and left one and a half dozen bottles with me, not knowing its value did not take much. I have sold all he left and finding it one of the most valuable medicines I ever had in my store to sell want you to send on another lot immediately By stage"

NEW AND MOST EFFECTIVE REMEDY. DR. WOOD'S *SARSAPARILLA AND WILD CHERRY* BITTERS,
For the Cure of the following Diseases

Jaundice, Liver Complaint, all Bilious Complaints, Sick Headache, Heart Burn, Indigestion, Habitual Costiveness Piles Palpitations of the Heart. Loss of Appetite Dyspepsia, Nervous Irritations, Debilitated Stomach, Languor, Depression of Spirits, Chronic Rheumatism, Cutaneous Diseases, Canker, Syphiloid Diseases Scrofula, Impurities of the Blood, Pimples and Pustules on the Face, Hereditary Humors, Cold Sores, and all diseases arising from an injudicious use of Mercury

The attention of the invalid public and all those afflicted by any of the above diseases, is respectfully called to the merits of a new and invaluable preparation from an original recipe of a distinguished physician, combining in itself the most active remedial properties of two of the very first articles in the Materia Medica

The Sarsaparilla and Wild Cherry Bitters, were introduced to the public about twelve months ago, and during that period their success has been so great as to induce the proprietor to offer them with still more confidence in the full belief that by entering into more extensive use, they will prove a blessing to all those suffering from the diseases above enumerated

DYSPEPSIA OR INDIGESTION.

This anomalous, distressing and almost indescribable complaint—the torture of civilized society has its foundation in a deranged condition of the stomach and bowels Those afflicted by it are cut off from half the enjoyments of life—the pleasures of the table, and sweet and regular sleep—oftentimes a confirmed Dyspepsia fatally neglected is but the forerunner of more dangerous diseases, if not of death itself At its first appearance it should be checked by an attention to diet and regularity and by the use of some safe and salutary medicine A ... desire of this kind is presented in Dr WOOD'S Sarsaparilla and Wild Cherry Bitters, a skillfully prepared and delightful Tonic and Aperient, every day becoming more & more popular The following is one among many certificates of the efficacy of this medicine in the cure of Dyspepsia and Indigestion, Headache, &c

Col Gibbs is well known in this vicinity and cheerfully gives his testimony of the efficiency of this Medicine

Sandwich Sept 4 1844

Dear Sir This is to certify that my daughter has been troubled with Dyspepsia for a number of years, attended with almost constant headache and other distressing symptoms which accompany this disease She visited Boston to avail herself of the advice of the justly celebrated physicians of that city, all to no purpose By the solicitation of a friend I was induced to purchase a bottle of Dr Wood's Sarsaparilla and Wild Cherry Bitters Before taking one bottle she was relieved entirely of the headache, and after taking two or three bottles the other symptoms entirely disappeared

N B GIBBS

THE UNIVERSAL COMPLAINT, HEADACHE.

Who is there that does not occasionally suffer from this distressing affection? We meet with it among all classes, conditions and sexes—the torture of the rich unfitting its victims for all bodily and all mental exertion rendering them nervous and irritable and incapacitating them alike for business or enjoyment The principal and most frequent cause of this malady is to be found in a diseased condition of the stomach and bowels, corrupting the fluids, and deranging the nerves generally depriving the system and preventing that great blessing of life a regular, certain and easy digestion. Only ensure this and the ... will return In order to effect this desirable object, no medicine ever offered to the public has been used with greater success than Dr Wood's Sarsaparilla and Wild Cherry Bitters combining all the advantages of all tonics and aperient medicines of the day and free from many of their usual disadvantages

The annexed certificate of Col Baylies will be read with interest by those afflicted with Headache, and other complaints arising from a deranged stomach

New Bedford Aug 10 1844

Dear Sir I find Dr Wood's Sarsaparilla and Wild Cherry Bitters all that you recommended them to be and take great pleasure in saying that I think them the best preparation of the kind ever offered to the public I have been troubled for a long time with Jaundice and derangement of the stomach, attended with Head Ache and Vertigo which was so bad at times that I could not ... entirely cured by the use of these Bitters I have used them in my family and would recommend them to every one suffering from Jaundice, Indigestion and Headache

JOHN BAYLIES

DEPRESSION OF SPIRITS

At certain seasons of the year and particularly in the spring many persons are ... with a depression of the spirits accompanied with debilitated stomach loss of appetite nervous irritation, general languor, and a variety of ... which it is impossible to describe The only way to restore tone ... is to strengthen the stomach by the use of proper tonic remedies, to brace up the muscles secure ... appetite for food and allay nervous irritation and by putting the body in a fit state to ... produce ease and strength of mind ... nothing is more effective than the Sarsaparilla and Wild Cherry Bitters They are confidently recommended as the best SPRING MEDICINE ever offered to the public One trial of their virtues will be sufficient to convince all of their invaluable properties, and those who have used them will never resort to any other remedy for this ... disease ... to happiness and usefulness in life

CAUTION TO THE PUBLIC

Be particular and ask for Dr Wood's Sarsaparilla and Wild Cherry Bitters and receive no other. This is the first preparation of Sarsaparilla and Wild Cherry combined ever offered to the public and the great success attending its use will induce the unprincipled to counterfeit it As a preventative see that the bottles have the words Dr Wood's Sarsaparilla and Wild Cherry Bitters pressed on the glass, as a further protection each label on the bottle will be signed by the proprietor, E Thornton, Jr Take these precautions and you will get the genuine article

From the New Bedford Register

Dr Wood's Sarsaparilla and Wild Cherry Bitters—The respectability of gentlemen in this town and vicinity, who testify to the benefits, within their personal knowledge, derived from the use of this Compound of Sarsaparilla and Wild Cherry, is such as to put to rest all doubts as to the value of these extracts to those suffering from Dyspepsia Jaundice, Indigestion, Headache, or Scrofulous diseases When a medicine has been known to effect cures in certain cases, no recommendation is needed, other than a simple statement of facts To those then who are liable to any complaints for which the Sarsaparilla and Wild Cherry Bitters is advertised as a remedy, we would say, do as others have done and find relief in the way pointed out by the proprietor of this highly popular compound

THE Refined, Grecian, Athletic and Equestrian exhibitions of the above extensive establishment will begin on the Afternoons and Evenings of

THURSDAY and FRIDAY 4th and 5th of September.

At Bangor, on Oak street, in rear of Penobscot Exchange

The proprietors presume that the popularity of their company and matchless collection of steeds, are known to the citizens of this community thus much as a long stay in a neighboring city was marked with great fortune and the favored comment of every press. The following are some of the performers connected with this Magnificent Company

MONSIEUR CASSIMER!

The greatest Drummer in the World! and styled by Louis Phillippe, who made him chief drum major of the French Army, the "first drummer of Europe!" His professional skill has astonished many thousands who flocked to hear him in Philadelphia, New York and Boston, and is displayed in beating upon TWELVE DRUMS at once in a rapid, and elegant manner

The names of the principal are—OSCAR R STONE, the far famed Equestrian of the west, who stands alone at the head of his profession, and is pronounced not only by the critical public, but by all, to be the greatest rider in his peculiar style, the world ever produced. The wonderful achievements of this great artiste, have gained for him a name never to be erased from the memory of a generous public. G W SARGENT, the famed Shakspearian rider. The performance of this distinguished individual, are pleasing, amusing and instructive, and show at once, that he is not only a finished equestrian but has great dramatic talent. His personation of Falstaff, Shylock and Richard III, are beyond criticism. W W HOBBS—His youthful equestrian and vaulter who has become the general admiration of the many thousands who have witnessed his daring and successful feat of throwing a backward summerset from feet to feet while his horse is at full speed, is the only performer who has been successful in this great feat.

JOHN GOSSIN, The Clown, surnamed the Grimaldi of America, is not only the best Clown in the country but has scarcely an equal as a general performer. Mrs GOSSIN, the very beautiful and daring female equestrian, D MINNICH a finished vaulter and slack rope artist, C CHAMPION, the celebrated youthful double leaper and double somerset thrower, VICTOR PIQUET, the unrivalled posturer, Master W STEPHENS, the equestrian prodigy, ALONZO HUBBELL the American Sampson, and the NUBIAN MELODISTS a band of accomplished African Singers—a mighty host of geniuses never before equalled in New England.
